December 2014 Newsletter

The last meeting of the season started with 3 drivers in with a chance of winning the championship. It was a bright sunny start to the day although the ground was already wet, this however was to change with just one run left when the heavens opened. We welcomed back Mark this month, however his appearance threatened to put a spanner in the works for those fighting for the title who found another driver in the mix for top points. There were no major mechanical problems on the day, but it would seem Mark's Citroen was still a heavy smoker! After a close battle between Paul, Mark and Andy the day finished up with Andy taking 1st place in the 1st points with Paul 2nd, and Mark 1st in the 2nd points followed by Andy. This led to an overall draw for the year! A big well done to Andy Laker and Paul Rogers for becoming joint champions for 2014.
