February 2015 Newsletter

Finally we were able to get the New Year underway after January being cancelled, so it was decided to make February's meeting double points. Unfortunately it wasn't the best of starts to the championship year for Paul Rogers with his car being out of action before the meeting even got started but thanks to Steve Southgate, Paul was able to share his car, although mechanical issues seemed to follow the pair. Andy Laker started the championship on top form coming 1st in both sets of points.
